Summer Camp Leaders-in-Training

Ages: 13 - 17

Max 20

Turning Eureka Teens into Tomorrow's Leaders!

The Leader-in-Training program is held in conjunction with City of Eureka Summer Day Camps. By becoming a L.I.T. you will not only be able to play and engage in the many fun activities that our participants do, you will also have the opportunity to learn the many skills and responsibilities of a Recreation Leader.

Being a L.I.T. provides the opportunity to:

- Gain leadership skills
- Be trained in communication, conflict resolution, team building and responsibility
- Enjoy an active and productive summer
- Make a difference in your community and the lives of children

This wonderful opportunity is open to teens ages 13-17, who are mature, patient, enthusiastic and have a good sense of humor. Teens must be willing to learn and have transportation to and from camp.

Each one week session is \$45 and includes training, t-shirt and field trip fees. Applications are available online or by mail. Simply call 268-1844. Submit a completed Application and a Reference Form either by dropping it off or mailing it to:

The John Ryan Youth Center - 1653 J St. Eureka, CA 95501.

This will look fabulous on my college applications!

I can't wait to be a L.I.T.!

L.I.T. Graduate!

"As a child I had the opportunity to attend City of Eureka Summer Camps for seven consecutive summers. The program provided a safe place for me to play and grow in a creative and friendly environment. To my excitement, I was able to graduate into the Leader-in-Training program, and eventually earn my way into a Recreation Leader position. My heart leaves me no other option than to give back the love and positive experiences that I received when I was a child. I hope to one day make an impact on the lives of children just as the leaders of my day did for me."

—Melissa Stockton

"After School Is Cool"

Grades: 1 - 8

For the past 10 years The City of Eureka in partnership with Eureka City Schools has been providing After School Programs to the families of Eureka!

On any afternoon of the week, visit one of five Eureka school locations (Grant, Washington, Alice Birney, Lafayette and Zane) and you will see children ages 6-13 years old participating in a wide variety of educational, recreational, and cultural programs. Over 500 children in the City of Eureka are served by the After School Programs between 2:00pm and 6:00pm Monday through Friday, the time when school age children are most in need of safe, supportive environments. Youth receive homework help, participate in fitness activities, and explore arts & culture opportunities. After School programs complement what children are learning in schools and strengthen their sense of belonging in the communities in which they live.

The City of Eureka is proud to partner with Eureka City Schools in the "After School Is Cool" Program which is provided through a grant from the state After School Education and Safety office. The program is FREE and is open to students in grades 1-8.
